About Me

Experinced designer based near London.
I have a keen interest & strong ability in many facets of creative media; including graphic design, illustration & animation. I'm looking to further my skills in a challenging new environment & collaborate with industry professionals.

Experience

Designer

PinkNews | Jun 2021 - Present

- Providing an internal creative service across all departments & a variety of social platforms - ensuring the look & feel of our brand matches our voice & guidelines.
- Delivering engaging UI & UX designs from initial concept to final product.
- Key involvement designing for large scale events & campaigns.
- Developing unique products & commercial material for our very own e-commerce brand.

Major Achievements:

- Redesigning a brand new PinkNews app almost single handedly.
- Creating meaningful instagram artworks & posts for the LGBT+ community that have amassed millions of likes and shares.

Junior Designer

PinkNews | Feb 2020 - Jun 2021

Junior Digital Designer

River iGaming | Aug 2018 - Jan 2020
Transferral from Gaming Realms Ltd, 2019

- Delivering marketing visuals & promotional design material for more than twelve igaming brands, including Slingo & Health Games.
- Maintaining consistency in design, working closely with a managing Senior Designer & offering regular creative input in team meetings.

Clients that I worked alongside in this role include ITV, The Health Lottery, Endemol, Fremantle, Bauer Media Group & Sony Pictures Television.
